**Product name:Serratiopeptidase**

**CAS:37312-62-2**

**Molecular Weight:0**

| Item   | Specification |
|--------|---------------|
| MW     | ICI           |
| Purity | 99%           |
| MW     | 0             |

## Application:

Serratiopeptidase promotes the absorption of decomposition products by blood vessels and lymphatic vessels by degrading abnormal exudate and proteins, improving the circulation of inflammatory lesions and thus producing anti-inflammatory and anti-inflammatory effects. By degrading and liquefying mucosal secretions and fiber clots, it accelerates the liquefaction and discharge of phlegm, pus, and hematoma.

## Package:

Usually packed in 25kg/drum,and also can be do customized package.
